

September 21, 2018

Dear Councils of Classis Grandville,

On behalf of your Classical Stewardship Team, I want to share with you that Classis Grandville met on September 20, 2018 at Fellowship CRC. We enjoyed good discussion, prayer, fellowship and a delicious meal. Please thank your delegates for their good work.

For your information, our Classis Grandville 2019 budget was approved as it was submitted in the agenda.

With the passing of the budget, our classical ministry share per member amount is also calculated. The Stewardship team informs you that Classis Grandville approved the **Classical Ministry Share amount for 2019 at \$27.45 per professing member**. Classis Grandville asks that you please include this line item in your budgets for next year.

Thank you for your support of our Classical ministries and your commitment to Christ and His church.

In Christ's service,

Rev. Roger Groenboom
(Chairperson, Classis Grandville Stewardship Team)
